MEMORANDUM FOR: Deputy Director (Support)

SUBJECT: Claim for Reimbursement for Extraordinary Expenses - [ ] 25X1A9A

1. A memorandum from the Special Support Assistant to the Deputy Director (Support), dated 8 November 1955, and supporting papers, have been forwarded to this Office for review and possible approval of Mr. [ ] claim. 25X1A9A

25X1A9A 2. During the period from 1 October 1950 to 1 September 1953, Mr. [ ] expended \$2,416.03 more than his allowances in order to occupy quarters required for the maintenance of his cover. From October 1952 to October 1953 he received duplicate payments of his housing allowance and, as a result, a total overpayment of \$2,032.87. Mr. [ ] has requested that this claim against him be offset against his extraordinary expenditures and that he be paid the balance of \$383.16 in cash.

25X1A9A 3. The supporting memoranda substantiate Mr. [ ] claim that his extraordinary expenses were justified for operational reasons. Although he had made several claims for allowances to offset these expenditures, the claims had never been processed for reasons not explained. At the time Mr. [ ] incurred these extraordinary expenses, [ ] authorized Assistant Directors of covert offices to approve extra allowances. The allowance which Mr. [ ] requested could have been authorized and, upon the evidence presented at this time, should have been determined under that Regulation.

25X1A9A 4. Inasmuch as the appropriations for the fiscal years in which Mr. [ ] incurred the extra expenses have lapsed, the expenditure can now be authorized only under [ ] paragraph 9b. Except for the fact that the appropriations have lapsed, this would be a matter for approval by the appropriate covert office.

25X1 5. Under the circumstances, there is no legal objection to approval of this claim by the Deputy Director (Support) under the authority granted him in [ ] paragraph 9b.
